A new triumph in Ship Building

YF YOU are going to Europe you can now

I travel on swift, new passenger liners that

represent a supreme achievement in shipbuild-

ing. The fast, twin screw, oil-burners of the

"535" type, owned by the U.S. Government,

have become famous on every sea. Two of

them, the President Harding and the Presi-

dent Roosevelt, operated for the Government

by the United States Lines, have been placed

in the service between New York and Ply-

Every device of the modern shipbuilder's art has been lavished on these new ships. They
